NORMAN CHAFFINS
SHERIFF OF GRAYSON COUNTY

June 3, 2021

The following names are being released in the hopes that addresses can be updated, and some may come to the Grayson County Sheriff's Office voluntarily. The list produced is public record and does NOT mean that any individual is guilty of a crime. All names on the list are innocent until proven guilty in a court of law. A criminal summons is a citation to appear in court and the individual is not arrested. A person is arrested if they are served a bench warrant or e-warrant and processed at the Grayson County Detention Center. If there is a bail on the warrant, then the person can pay the bail and be released. If there is no bail, then the person must see a pretrial officer and a bail will be set. If a person's name is on this list and they feel that it is an error, they are asked to call the Sheriff's Office during normal business hours to get it straightened out.

Anyone with information on the whereabouts of the named individuals are asked to call the Grayson County Sheriff's Office at (270) 259-3024. You may remain anonymous. You may also contact us here on our website or leave a message on our Grayson County Sheriff's Office Facebook page.
